RE: MUR 4594
China Airlines, Ltd.

Dear Margaret:

As per our discussion earlier this afternoon, attached please find a translated version of documents numbered 000039-000042 produced with your subpoena response dated January 16, 1998. As I mentioned to you, it has come to our attention that included in this translation are classifications labeled "Code Number," "Salary Grade," "Personnel Change Code," and "New Position." Based upon these codes, this Office believes that an inference has been raised regarding the existence of other documents in CAL's possession relating to Longevity and/or documents evidencing arrangements and/or agreements for the transferring or seconding of funds, resources, and/or personnel between Longevity and CAL. Please confirm that all documents responsive to Document Request No. 1 and Document Request No. 6 of the Subpoena issued to CAL from the Commission on October 17, 1997 have been produced to this Office, or indicate that there may be more responsive documents forthcoming, by the close of business on Friday, March 13, 1998.

Should you have any questions, please contact me (202) 694-1650.

Sincerely,

A handwritten signature in dark ink, appearing to read "Nancy E. Bell".

Attorney
